

St. Mary's High School Green Machine Code of Conduct 2018-19

St. Mary's High School administration and moderators believe that students who sign up for Green Machine should conduct themselves as responsible representatives of the school. In order to assure the integrity of St. Mary's High School, administration and moderators will enforce the Parent/Student Handbook Code of Conduct. Furthermore, matters which are brought to the attention of the Dean of Students concerning members of Green Machine who fail to behave appropriately are subject to disciplinary action by the Dean's Office. Green Machine members must always serve as exemplars of high moral character and must demonstrate appropriate behavior both on campus and/or off campus.

St. Mary's High School Green Machine members are expected to follow the St. Mary's High School Code of Conduct in the 2018-19 Parent/Student Handbook.

I have read and understand the expectations as a member of the GREEN MACHINE and acknowledge that I may be disciplined or removed from the Green Machine if I violate any of the Handbook provisions.
